Delhi is the capital of the Republic of India and also a state for administrative purposes called as NCT(National Capital Territory). It is one of the largest metropolises in the country. Delhi shares its borders with the states of Uttar Pradesh and Haryana. It is the centre of

international politics, trade, culture and literature in India. Delhi is one of the fastest growing states of the country. At current prices, the Gross State Domestic Product (GSDP) of Delhi was US\$ 96.5 billion in 2016-17. Delhi has an attractive real estate market and is a preferred tourist destination. Owing to its location, connectivity and rich cultural history, Delhi has always been a prime tourist attraction of the country.

#### Key Sectors:

- National Capital Region (NCR) is India's biggest milk market. The organised milk market in the region, estimated at five million litres per day, is growing at 6-8 per cent annually.
- Delhi Development Authority (DDA) has reduced the minimum area requirement for farmhouses to 1 acre from 2.5 acres earlier. The revised norm offers owners of an estimated 2,700 farmhouses in the city the opportunity to downsize and monetise their surplus property.
- As per the new Industrial Policy for Delhi 2010-21, the Government is keen on developing and promoting the hi-tech, sophisticated, knowledge-based IT and ITeS industries in the state. For this, the Government has planned to set up 'Centre of Excellence' to promote innovation and entrepreneurship in the sectors.

### WORLD'S LARGEST SOLAR PARK TO COME UP IN GUJARAT

Gujarat Chief Minister Vijay Rupani approved setting up a 5000 MW capacity solar park at the Dholera Special Investment Region (SIR), which would be the largest such entity in the world after its completion. The proposed solar power generation project would be set up in 11,000 hectares of land with an investment of Rs 25,000 crore, said an official release. The project will contribute significantly in achieving Prime Minister Narendra Modi's target of producing 175 gigawatt of electricity through renewable energy sources by 2022, said Rupani. The chief minister exuded confidence that the solar park would not only provide employment to over 20,000 people, but also open new manufacturing avenues for the entire supply chain in and around the Dholera International City.
