

## **Alert/Advisory regarding Fake PCC Racket in India**

- Police Clearance Certificate (PCC) is issued by RPOs in India and by Mission/Posts abroad. PCC establishes that the applicant has no criminal cases pending against him. This is required by applicants for gainful employment in overseas companies, admissions in foreign educational, long term stay etc.
- Some fake PCCs issued in India are found during regular checkups by our Mission in Kuwait.
- Recruiting Companies and other stakeholders are hereby advised to stay vigilant about this possible fake PCC submission by candidates.
